WORK EXPERIENCE

Testing Proctor – Weber State University, Ogden UT Nov 2023 – Aug 2026

- Assist students with computer based testing systems and basic technical issues. Troubleshoot common workstation, login, printer, and software problems. Prepare and maintain computer workstations for scheduled testing. Help users navigate testing software and resolve access issues. Follow established procedures while maintaining accurate records and a secure testing environment.

Financial Service Representative – Goldenwest Credit Union, Ogden UT Nov 2021 – Nov 2023

- Assisted customers with account questions, transactions, and service requests. Used computer systems to access account information, enter data, and maintain accurate records. Verified customer identities and followed established security and privacy procedures. Resolved routine issues by reviewing information across multiple systems. Managed competing priorities while providing accurate and professional customer service.

Sales Manager and Acting Assistant Manager - Carters, Ogden UT Apr 2019 – Nov 2021

- Supported daily business operations, customer service, and team coordination. Assisted with sales transactions, cash handling, and routine operational tasks. Helped resolve customer concerns and address day-to-day business needs. Used business systems to support transactions and maintain operational accuracy.
